

# JUNIOR ROVERS FUN DAY

Dear Ackworth Parish Council

Thank you once again for your grant that supported our event on Monday 17<sup>th</sup> July at Carr Bridge Playing fields. We had over 50 children turn up to take part in the Junior Rovers Fun Day aged between 3 years to 12 years old.

The children were split into groups with our coaches & first team players to develop different rugby skills including kicking, passing, dodging, tackling & scoring. We took our inflatable rugby posts & had a special guest visit from our mascot 'Percy' the pit pony & first team squad members Matty Wildie, Luke Cooper & Jamie Cording.

The event finished by children being presented medals by Mick Thornton Featherstone Rovers RLFC director & Percy the pit pony for taking part in the event.
