Ackworth Cemetery – Memorial Safety Testing

The Memorial safety testing programme has now been completed.

All Memorials that have failed inspection have either been laid down or supported by a wooden stake and identified by a notice fixed to the memorial with a band.

The Memorial rectification works to install the anchor system to failed memorials has commenced and will be carried out in two phases:

Phase 1 - Plots A, B, C and E - To be completed by 31st March 2018.

Phase 1 - Plots F, G, H, I and V - To be completed by 31st March 2019.

The Memorial rectification works will be implemented and funded by Ackworth Parish Council where an anchor system can be installed in accordance to regulations.

As memorials are required to comply with BRAMM regulations DIY repairs are not permitted.

For further information please contact Sue Templeman Clerk to the Council on 01977 611583 or via email info@ackworthparishcouncil.gov.uk
