

Question:

Can you help me with a problem with my Council Tax bill please?

Answer:

Ackworth Parish Council are not responsible for Council Tax, this is a Wakefield District Council matter.

If you give them a call on 03458 506 506, log the issue, they will give you a case number and an estimated time as to when they will review the matter by. If for any reason you are not finding Wakefield Council support, you can then raise to your District Councillors who I have included below.

Jessica Carrington - jcarrington@wakefield.gov.uk

Martin Roberts - martinroberts@wakefield.gov.uk

Allan Garbutt - agarbutt@wakefield.gov.uk

Below is a chart to show you what we are responsible for in the village and what Wakefield District Council are responsible for.
