Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

External auditor report 2019/20

On 26 November 2020, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2020. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that Sections 1 and 2 of the Annual Governance and Accountability Return were approved on 13/07/2020 but that the public rights period did not commence until 01/09/2020. The period set is not strictly in contravention of the timing permitted under the legislation introduced as a result of Covid-19, but it should be noted that this year's extension to allow later public inspection was intended to allow for authorities who were not able to approve their AGAR until as late as the statutory deadline of 31 August 2020.

Regulation 12 (3) of the Accounts and Audit Regs 2015 (signing and approval of the statement of accounts for Category 2 authorities) requires the Responsible Financial Officer, as soon as practicable after the date on which the authority complies with regulation 12 (2c) (re. accounts approved and signed following meeting), to do the following on behalf of the smaller authority:

- a) commence the period for the exercise of public rights in accordance with regulation 14 and regulation 15; and
- b) notify the local auditor of the date on which that period was so commenced.

We fully appreciate the difficulties arising as a result of coronavirus restrictions; however, please consider the requirements of the Accounts and Audit Regulations 2015, when setting the date for the approval of the AGAR in relation to the public rights period in future years.

Other matters not affecting our opinion which we draw to the attention of the authority (continued):

We received challenge correspondence in relation to the 2019/20 and 2020/21 AGARs which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

We note that the minutes of the 2019/20 AGAR approval meeting do not record that the Council carried out its annual review of internal controls by discussing in detail the requirements for and evidence to support the 'Yes' responses to each governance assertion on the Annual Governance Statement. We recommend that this discussion and the evidence provided to members is minuted in more detail in future as part of the AGAR approval process.

External auditor certificate 2019/20

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020.
