Dear

Freedom of Information Request

I write in response to your Freedom of Information request dated 22nd October 2024, as detailed below.

1. If we have budgeted for pest control up at Bracken Hill allotments this year?

[This information is available on our website and can be found in appendix 1 of the July Meeting Minutes held on our website.](#)

2. If we have budgeted, please provide documentation regarding this.

[This information is available on our website and can be found in appendix 1 of the July Meeting Minutes held on our website.](#)

The above information was also included in Councillor packs during the July meeting which as part of the Councillor role, you will have also received paper copies of the July pack and post meeting, the minutes.

I have noted that your original email states *"the reason I am asking about it is because Councillor Bell has stated on 2 occasions in public that we have not stopped the funding for pest control at the allotments"*

This statement differs from the questions you have asked under the FOI process where you have asked about budget and not funding. Also to note is that pest control has recently been discussed at our Allotments Subcommittee meeting on Friday 1st November 2024 which the minutes will be uploaded to our website once recommendations approved.

If you are unhappy with the way your request for information has been handled, you have a right to appeal to the Information Commissioner by phone 0303 123 1113 or website <https://ico.org.uk/>

There is no charge for making this request.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Jemma Nolan', written in a cursive style.

Jemma Nolan
Clerk to the Council
