

Question: I have recently received the council tax adjustment for next tax year. After reviewing the details, I have attempted to find information on the Parish website that explains the precept for Ackworth increasing by 24.3%.

I am unable to find the details on the budget and precept page. Could you kindly send across a link to the relevant section of the website that outlines the need for the increases please?

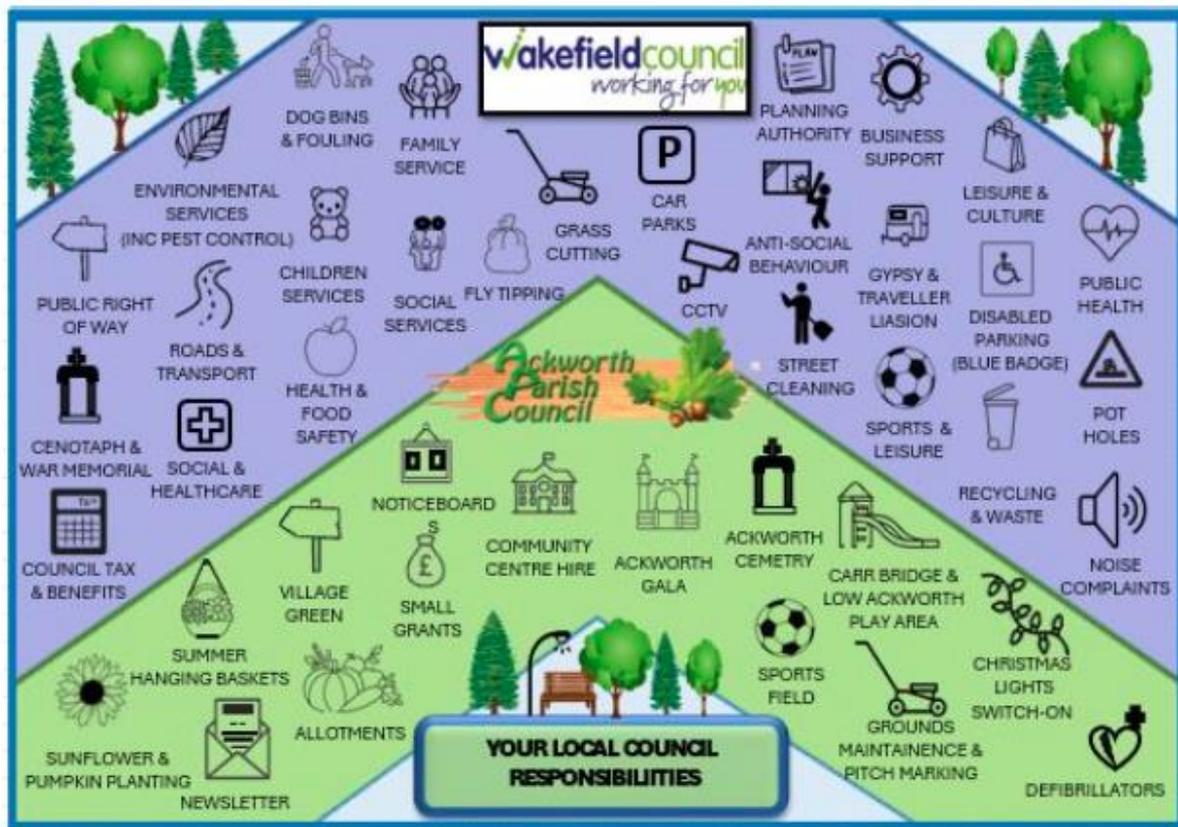

While I am happy to support our local parish, I am keen to understand how the increase in funding will be used.

Answer:

The information prepared for the Council meeting for the 25/26 budget setting can be found here on our website [2025-26 BUDGET CONSIDERATIONS](#) which is currently located under our January meeting 'additional documents' section. I take on board that logically this would now be better suited under our budget and precept section ready for April and will look to improve this.

In terms of our services and what the precept covers and supports, this can be found on our website under the section [Services - Ackworth Parish Council](#)

If you would like to discuss further, I am happy to arrange a call or a time convenient to pop in to find out more about what we do.
